Law Offices of
JAMES C. SIEBERT
Attorney at Law
3325 N. Arlington Heights Road, #500
Arlington Heights, IL 60014

I am writing to recommend the services of James C. Siebert, Attorney at Law. James has worked with me for the past 12 years as my attorney. His knowledge and attention to detail have aided in resolution of all legal matters I have required and is refreshingly honest and forthright. I highly value his advice. My brother and son both share the same respect for James as I do and are grateful we can call him whenever, about whatever and he is always open to discuss matters that often don't involve his personal service but will refer you to those that can help.

I feel confident in recommending James Siebert's legal services. He is not only thorough, but also easy to work with, and always willing to take the time to discuss my concerns and respond to questions.

Should you wish to me, you can reach me at : [REDACTED]@yahoo.com or telephone: 847.2[REDACTED]

Sincerely,
