I Want To Thank you Guys for
your Understanding & Thoughtfulness
During The most Hardest Time
of my life. - I needed To feel
Protected & Safer & you made
Sure I Was. - Protecting my
Dad's interests (and my mom's)
were So important To me. They Both
Worked So hard for what they had.
my childhood memories, & Every-
thing is envailed. I miss
them So much & To know you
were there To help me, means
alot. I will be Using you Guys
in the future -

Thank you
