Mr. Siebert,

I would like to take this time to thank you for your help in my past legal matters.

Your help was invaluable to solving the situation I had. You took the time needed to explain, in regular terms, the legal issues involved. I understood each step of the process. You took care of all the matters in a prompt, professional, and courteous manner. Something that the previous layer chose not to do. You did what you said would be done, in a timely manner.

I would not hesitate to contact you, or recommend you for any future legal issues.

Sincerely,

Laura A [REDACTED]
